**ORDER**

---

This matter is before the Court on Plaintiff's Motion for Extension of Time to Complete Discovery (Doc. 72) and Amended Motion for Extension of Time to Complete Discovery (Doc. 73). Plaintiff requests an extension of the discovery deadline from July 1, 2004 until September 30, 2004 in order to conduct the deposition of Donald Bricking, Plaintiff's former CG&E supervisor. Plaintiff represents that there is no mutually agreeable date before September 2004 in which to hold said deposition and therefore requests and extension of the discovery deadline. The extension of the discovery deadline, however, necessitates the extension of the dispositive motions deadline. Because no specific date has been set by the Court for the Final Pretrial Conference and Trial of this matter, the Court **HEREBY GRANTS** Plaintiff's motions (Doc. 72, 73).

The Amended Calendar Order, which was issued on May 7, 2004 (*see* Doc. 69), shall be amended as follows:

- |    |                             |                    |
|----|-----------------------------|--------------------|
| 1. | Discovery Deadline          | September 30, 2004 |
| 2. | Dispositive Motion Deadline | October 29, 2004   |

The parties are advised that once Final Pretrial and Trial dates have been set in this matter, further extensions of the above deadlines will be strongly disfavored.

SO ORDERED.
